TEN CENTS

America Plans to Keep Supporting War in Viet Nam

WASHINGTON, March 17 (AP)—The United States will continue to furnish assistance and support to Viet Nam "for as long as it is required to bring communist aggression and terrorism under control," a White House statement said today. The statement was issued after Secretary of Defense Robert S. McNamara and Gen. Maxwell D. Taylor, chairman of the joint chiefs of staff, made a full report to President Johnson and the national security council on their recent fact-finding mission to South Viet Nam. The statement said Johnson accepted the report and its principal recommendations.

Big Mexican Crowds Greet Frenchman

MEXICO CITY, March 17 (UPI)—Enthusiastic Mexicans broke security lines surrounding President Charles de Gaulle at the independence monument today and the cheering Frenchman-mixed freely with the crowd, shaking hands of scores of men and women.

De Gaulle wore civilian garb today, a loose-fitting dark business suit, in contrast to the khaki general's uniform he wore on his arrival for yesterday's schedule of activities. De Gaulle broke his official program briefly earlier for a quick side trip to the home fair where "France day" is being observed.

This was the beginning of a busy, 16-hour official schedule, topped by a midnight reception and banquet.

Turkey Hikes Its Military Activities

ANKARA, Turkey, March 17 (AP)—The Turkish parliament gave Premier Ismet Inonu full backing in the Cyprus crisis Monday night as Inonu's government stepped up military activity again after tension had appeared to be easing.

Warships and troops were on the move once more around the port of Larnaca, 100 miles from Cyprus. Inonu warned Turkey would step in if the United Nations did not protect the Turkish Cypriot minority on the Mediterranean island.

Parliament voted Inonu full powers to act in the Cyprus crisis, and his foreign ministry announced that Turkey will abrogate a 1930 treaty under which nearly 10,000 Greek nationals living in Turkey enjoy special residence and trade privileges.

It said the decree would go into effect Sept. 16.

In a speech to members of his party in Parliament, Inonu assailed Greece for siding with the Greek Cypriots. He warned Turkey would intervene if the U.N. peace force being mobilized fails to meet Turkish conditions for keeping peace on Cyprus.

Barry Youth Speaks After Long Coma

Hathaway Martin Barry, 12, son of Mrs. Betty Barry, 2008 Falls avenue, has regained consciousness and is in fairly good condition at Magic Valley Memorial hospital, hospital officials announced Tuesday.

The Barry boy has been unconscious for about two months because of head injuries sustained when he fell 50 feet into the Snake river canyon Jan. 11. Mrs. Barry said she received a phone call from her son Tuesday and he said "good morning" to her, the first words he has spoken since the accident in January.

She said he actually has been conscious for about one or two weeks, but did not respond to her. She said the only way she knew he was conscious was because his eyes would follow objects around the room.

Rails Optimistic, Strike Averted

WASHINGTON, March 17 (AP)—Railroad spokesmen who warned that the nation was possibly on the verge of a vital rail strike said the railroads now "are optimistic that a crisis can be avoided."

E. Wolfe, the spokesman and chief negotiator for some carriers, set off the alarm Monday. He declared he "cannot reach a decision" on the proposed strike.

But after officers for two of the unions denied any strike plans, Wolfe issued a statement Monday saying "in view of the apparent reversal of the strike plans, the railroads now are optimistic that a crisis can be avoided."

STAMP RECORD SET
WASHINGTON, March 17 (UPI)—The government produced 32 postage stamps last year, more than it has in any year since at least the next couple of years.

RAGING BRUSH FIRE, sweeping down a precipitous hillside, appears to have engulfed this home in Glendale, Calif., Monday. Although many homes were destroyed, this was one that was saved. (AP wirephoto)

Stockman Stresses Beef Quota Needs

WASHINGTON, March 17 (UPI)—Livestockmen are being called on to sacrifice their industry to protect the export markets for such items as machinery and metal products, a South Dakota livestock man charged today. Morton Glover, Rapid City, S. D., spokesman for the South Dakota Stockgrowers association, testified before the senate finance committee now considering legislation which would set quotas on imports of beef, veal, lamb and mutton.

The bill, by Senate Democratic Leader Mike Mansfield, Mont., and others, would base the quota on the 1959-63 five-year average.

Glover urged that the base period be set for the years 1958-62, to avoid inclusion of last year's record imports. He said he did not dispute the importance of foreign trade.

"However, we cannot agree in our inter-related economy in this country we must sacrifice livestock agriculture—a basic industry—for the opportunity of exporting some 17 billion dollars annually of such items as transportation equipment, machinery and fabricated metal products."

Glover apparently referred to the forthcoming international trade negotiations. The administration has been reported reluctant to jeopardize success at the conference by imposing meat quotas.

The Mansfield base period of 1959-63 was supported by other witnesses at today's hearings: Stock Growers Association, Inc., M. Joseph Burke, Wyoming Wool Growers association, and Dean T. Prosser, Jr., Wyoming Stock Growers association.

Barthelme estimated that last year's imports cost the Montana livestock industry at least 28 million dollars. He said he was not impressed by the agriculture department's recent announcement that it will buy surplus beef for school lunch and other programs.

"Our market has been critically low for many months," he said. "Why was this gesture held until now?"

Much of Wyoming's economy is dependent on the sheep industry which, Burke warned, "cannot compete with imported lamb and mutton from low wage and low tax base countries."

Prosser said cattle feeders now are caught in the fourth consecutive round of financial losses. "Several large feed yards have been completely shut down during the past few months, and the operating financial margins have disappeared on many other feeding operations," he said.

Prosser said cattle feeders now are caught in the fourth consecutive round of financial losses. "Several large feed yards have been completely shut down during the past few months, and the operating financial margins have disappeared on many other feeding operations," he said.

GOP Is Suspicious Of President's War on Poverty

WASHINGTON, March 17 (AP)—Sargent Shriver opened a recruiting office on Capitol hill today for the administration's war on poverty but failed to enlist any Republicans. The aim—but not the details—of the 962.5 million dollar program outlined Monday by President Johnson won the full support of all members of the house education and labor committee. Republican members expressed the view there would be much duplication of programs already in existence or pending in congress and said the proposal merely would add "another layer of bureaucracy."

Regular Meet Held by T.E. Commission

Twin Falls city commissioners were informed Monday that nearly 1,000 persons will be in the city to attend two separate functions.

The Idaho State Square Dance federation will hold its annual convention and an intermountain AAU swimming meet during the same time period — July 31 to Aug. 2.

The city parks and recreation department will sponsor the swimming meet and the commissioners gave their approval for the meet after it was outlined by Dr. John McNeese, who will be in charge.

In other city commission business Monday night the city gave its approval to call for bids on three pickup trucks, a suburban truck and a two-yard tractor shovel.

City Commissioner Robert Warberg questioned the advisability of permitting sales made off of trucks and stands. He referred to a truck fruit stand operating across from Albertson's and wondered if it was fair to allow this to compete with a tax-paying business.

Warberg noted the city repealed most of its ordinances governing this sort of operations in the Ted Soper incident last fall. Action on the matter was tabled.

An application from White Top-Cab company to install a direct telephone line to the airport was referred to the airport commission.

An estimated \$2,000 will be spent by the city to purchase chemicals and equipment for the treatment plant. The bulk of the cost will be for aluminum sulfate.

It had been hoped that the expenditure of its ordinance governing this sort of operations in the Ted Soper incident last fall. Action on the matter was tabled.

Solon Raps Civil Rights Maneuver

WASHINGTON, March 17 (UPI)—Senate Democratic Whip Hubert H. Humphrey charged today that a southern-sponsored advertisement opposing the civil rights bill is "poisonous promotion" loaded with "outright lies."

The Minnesota Democrat's counter-attack was aimed at a newspaper advertisement placed by the Coordinating Committee for Fundamental American Freedoms, Inc., which Humphrey said was largely financed by the Mississippi state sovereign commission.

He said that \$120,000 of \$131,201 received by the advertisement sponsors during the last half of 1963 came from the Mississippi agency.

Foreign Aid Message Planned On Thursday

WASHINGTON, March 17 (AP)—President Johnson told Democratic congressional leaders today that his foreign aid message will go to congress Thursday.

Speaker John W. McCormack said the message will emphasize the importance of continuing the international development association to help under-developed nations help themselves.

McCormack said he reported to Johnson that congressional reaction to his poverty message Monday had been "overwhelmingly favorable, amazingly so."

McCormack said he assured Johnson of quick action on the anti-poverty program by the house committee on education and labor.

JOHN DEE LARSEN, 21, has been booked in Clark county jail in Las Vegas, Nev., as a fugitive in the slaying of Vicki Jo Quinn, 16, at Pocatello. (AP wirephoto)

Suspects Are Charged for Girl's Murder

POCATELLO, March 17 (AP)—Bannock County Sheriff H. E. Parker is expected to return to Pocatello Wednesday from Las Vegas with John Dee Larsen, 21, the second suspect in the Vicki Jo Quinn murder case.

Parker and Deputy Robert Aikens left Pocatello Monday afternoon after Larsen and Richard Henry Burt, 17, were charged with the two-year-old killing.

Warrants charging both with first-degree murder were sworn out Monday, on the strength of a statement given to officers Sunday by Burt.

The girl's slaying, discovered on April 21, 1962, remained unsolved for 23 months until officers said Sunday Burt had admitted his part in it.

Parker said Burt gave them the statement that he and Larsen planned to kill someone, and after Larsen stabbed the 16-year-old Pocatello high school girl to death, they both helped bury her in a grave on the Fort Hall Indian reservation.

Johnson Asks U.S. Employee Pay Increase

See Editorial on Page 4
WASHINGTON, March 17 (AP)—President Johnson asked congress today to increase pay of government employees.

Unless such legislation is enacted, he said, two million federal workers will be deprived of "fair and reasonable pay adjustments," and it will be more difficult to recruit and retain top-flight men and women.

Johnson did not specify how much the pay levels of government employees should be increased.

He made it clear that if members of congress feel they should delay increasing their salaries until next year, "even though they are most deserving of an increase in pay," he wanted pay raises this election year for others on the federal payroll.

The house last week defeated a bill to increase top federal salaries, including those of members of congress, by \$10,000 a year.

A bill providing a similar pay raise for federal employees, leaving out members of congress, was introduced Monday.

Johnson said the money needed to increase federal salaries is included in his budget for the fiscal year starting July 1.

N. Y. Turns Avenue Over To Irishmen

NEW YORK, March 17 (AP)—Today was the day for the "wearing of the green" on Fifth avenue—either out of loyalty to the Old Sod or to avoid the wrath of an outraged Irishman.

As it has for decades, the city turned Fifth avenue over to the sons of Erin for their annual parade in honor of their patron saint—Patrick.

Some 150,000 paraders—most of them of Irish ancestry, but more than a few turned Irish just for the day—were on call for the parade, one of the most colorful—St. Patrick's day—observances in the world.

From all walks of life they came to strut up the famed avenue past the Catholic cathedral bearing the saint's name, and to attend a dinner tonight capping the day's activities.

President Johnson will fly here for the annual dinner.

The president is scheduled to reach the Waldorf-Astoria hotel shortly before 6:30 p. m. After addressing the Friendly Sons of St. Patrick, he will fly by helicopter from the Wall Street landing pad in downtown Manhattan to Kennedy International airport. He is due to leave the airport by presidential jet at 10:30 p. m., arriving at Andrews air force base at 11:20 p. m.

Romanians Fail To Repair Russ, Chinese Rift

MOSCOW, March 17 (UPI)—A Romanian mission to Peking apparently has failed to improve Sino-Soviet relations and a new series of propaganda attacks can now be expected from Moscow, eastern European sources said today.

The Romanians spent eight days in communist China discussing the ideological split between Peking and Moscow and two days in the Soviet Union reporting on the talks to Premier Nikita S. Khrushchev. The delegation, headed by Premier Ion Maurer, returned to Bucharest last night.

Silver Dollar Minting Is Urged

WASHINGTON, March 17 (UPI)—Members of congress have voiced concern lest the clinking of silver dollars be stilled in the West where hard money has long been popular music in cash registers and at gambling tables.

One mining state member, urging the minting of 150 million silver dollars, said that even bank robbers in the West prefer "cari wheels" or "iron men" to paper money.

Their testimony, given at a closed session of a house appropriations subcommittee, was made public today. The subcommittee was considering funds for the treasury and other departments.

Senate Democratic Leader Mike Mansfield, Mont., testified "recent developments have given some cause for alarm about the silver dollar disappearing from the American scene."

"The silver dollar is a part of our heritage and its future use should be guaranteed," Mansfield said. "There is an adequate supply of silver."

"Any difference in the cost of printing dollar bills and minting silver dollars can be set off by the extended life of the metallic dollar."

Sen. Lee Metcalf, D., Mont., said he and Mansfield had introduced a bill to put the likeness of the late President Kennedy on new silver dollars.

Since the Kennedy image is being placed instead on 50-cent pieces, Metcalf proposed that at least 50 million new silver dollars carry on one side the image of the eagle, the Montana centennial emblem.

Sen. Howard W. Cannon, D., Nev., pointed out that Nevada, along with Montana, is observing the centennial.

The Lenten Story

BY WOODY ISHMAEL

THE PLACE OF THE SKULL

At Golgotha, which in Hebrew means "The Place of the Skull," they stripped Jesus of His garments and nailed Him to His cross. With Him, they also executed two thieves, one on each side.

And while He was dying the soldiers divided up his garments among themselves. When they came to His cloak, which was seamless, they decided to cast dice for it rather than tear it into pieces.

The Evangelist John, an eyewitness to the crucifixion, tells us this was done that the ancient prophecy might be fulfilled:

"They parted my raiment among them, and for my vesture they did cast lots." (John XIX:24)

Kimberly Girl Wins Area Talk Contest

BUHL, March 17—Jan Slaughter, daughter of Mr. and Mrs. W. A. Slaughter, Kimberly, was named winner of the area American Legion oratorical contest in the Buhl high school auditorium.

Miss Slaughter, fourth district winner, competed against James Kelly, fifth district winner and son of Mr. and Mrs. J. P. Kelly, Jerome.

Both gave prepared 10-minute speeches on the topic, "An American citizen's rights and responsibilities under the constitution," and 5-minute extemporaneous speeches on criminal prosecution.

Miss Slaughter will compete March 23 in the state Legion contest at Boise.

She is a junior at Kimberly high school and has been active in debate and declamation events for the past three years. This is her second year to participate in the American Legion oratorical contest. Last year she placed second.

She is vice president of the FFA and member of Pep band. She is secretary of the Kimberly Methodist youth fellowship group and is a sub-district officer of the MVS.

Judges for the Thursday afternoon event were Edward Hartman, Twin Falls; the Rev. Warren McConnell and Dale Austin, both Buhl; and the Rev. Ralph Bolthergill and Elliott Brown, both Jerome. Walter Senften and Kenneth Shrader, both Buhl, were clerks and Shrader also served as timer.

In charge of the contest were Donald Brannen, fifth district oratorical chairman, and Orin N. Garrett, Fairfield, fourth district oratorical chairman. Leo Coates, Jerome, in charge of the

Ugh!

SELIGMAN, ARIZ., March 17 (AP)—Travel on busy U.S. 89 was halted for five hours Monday by a dust storm that reduced visibility to zero and caused three accidents involving 15 vehicles.

Nine people were hospitalized in Williams, Ariz.

The Arizona highway patrol closed a stretch of the highway between 1:30 a.m. and 3 p.m. because it was impossible for drivers to see the hood ornaments of their own cars.

Legion oratorical contest of the Jerome American Legion post, also attended.

Short Work Week Hit by U.S. Chamber

WASHINGTON, March 17 (AP)—The U. S. chamber of commerce has rejected as unworkable a demand by organized labor for a 35-hour week to spread jobs and reduce unemployment.

"Unless labor is immune to economic law, a shorter work week with higher pay would tend to create unemployment," the chamber said in a new publication, "Economics of the Shorter Work Week."

The report by the chamber's economic policy committee contended that cutting the work week would boost production costs by from 14 to 29 per cent, increase prices and reduce consumption.

Adventist Church Youths Collect 11 Tons of Coins

ATLANTA, Ga., March 17 (AP)—Nearly 3½ million pennies are back in circulation today.

More than 11 tons of coins collected by some 3,000 young people of the Seventh-day Adventist church in Georgia and East Tennessee were brought to the Atlanta federal reserve bank Monday.

They had been saved by the Adventist youth in a three-month "two million penny" campaign to raise funds for a music building at the church's new Georgia Cumberland academy, Calhoun, Ga.

HOPES FOR BILL
WASHINGTON, March 17 (AP)—Rep. Ralph Harding, D., Ida., says he is hopeful that early hearings will be ordered on a bill that would limit meat imports.

CAROL DEATHERAGE
... daughter of Mr. and Mrs. James Deatherage, has been selected to represent Castleford high school at Girls' State to be held at the College of Idaho campus. She is being sponsored by the Everywoman's club and the Castleford Grange. Miss Deatherage is a member of the Pep band, Pep club, band, chorus, C club and drill team. She is a member of the First Baptist church.

Van Gogh, 28 Cats and Skunks Lost in Blaze

ONEONTA, N.Y., March 17 (AP)—A Van Gogh painting valued at \$14,000 was lost, and 28 cats and two pet skunks died Monday in a fire that destroyed a widow's home in the hamlet of Milford, north of Oneonta.

Sarah Kiewe, 70, was unable to call firemen because the telephone line had burned. She told firemen she stood in the road in front of the frame house for half an hour attempting to fling down motorists before anyone stopped.

Mrs. Kiewe said that two years ago she turned down an offer of \$14,000 for the Van Gogh original. The cats and skunks were her pets.

INDIA WANTS F104's
NEW DELHI, India, March 17 (AP)—Defense Minister Y. B. Chavan told parliament Monday that India had been unable to buy F104 fighters from the United States but is continuing efforts to acquire the supersonic interceptors. He refused to divulge details of the negotiations.

Twin Falls Cattlemen's Group Sets Annual Meet

Annual meeting of the Twin Falls Cattlemen's association will be held at 1:30 p.m. Friday in the Twin Falls city hall auditorium, according to President Don Ramseyer. Ramseyer urged all members, as well as interested livestock men, to attend.

The main speaker will be Robert Henderluder, executive secretary, Idaho Cattlemen's association, who will talk on the problem of imports. Twin Falls county agent Donald Younts will present a brief slide show describing the livestock situation.

In addition to regular business, officers and three directors will be elected. Directors whose terms expire are Don Ramseyer, Twin Falls, and Jay Cobb, Filer. Also, a director will be elected from district three to fill the unexpired term of Kenneth Larsen, Kimberly, who died last fall.

Other directors of the association are Tom Callen, Rogerson, association vice president; W. J. Lanting, Hollister; Melvin Sackett, Twin Falls, and Art Kaster, Hagerman. C. W. Daugh is secretary.

ATTEND FUNERAL
DECEASED, March 17—Relatives from a distance who attended the funeral of Mrs. Myrl Day and her son, Errol Day, were Mr. and Mrs. Raymond Day, Dayton, O.; Mr. and Mrs. Dale Panting and Mr. and Mrs. George Baker, all Hailey; Mr. and Mrs. Bill Day, Orem, Utah; Mr. and Mrs. McGregor, San Diego; Mr. and Mrs. Daniel Wehmeyer, Alexandria, La.; Mrs. Margaret Moyes, Hazelton; Mrs. Evelyn Edmond, Boise, and Gene Day, son of Mrs. Day who is in the service in England.

Wendell Sets Free Classes For Defense

WENDELL, March 17—Civil defense classes will be available to those interested in a free 12-hour course at the Wendell high school soon.

The instruction will present the preparedness and fundamentals of living in the nuclear age. Classes will be conducted by specially trained local instructors who will emphasize family and personal survival. Classes will consist of lectures, discussions, films, slides and free material.

Purpose of the U. S. office of education's civil defense adult program is to conduct an education program through organized educational channels to alert citizens to the need for civil defense, to bring them knowledge of the basic principles and practices of civil defense, and to bring to the individual the experience in personal survival so he can fulfill his responsibilities in time of disaster.

Object of the classes is to make clear the need for civil defense and survival training and to create the nucleus of an informed leadership group to support civil defense policies and practices.

Enrollment may be made at the office of the superintendent of schools. Meeting place and instruction periods will be announced.

NAMED TO OFFICE

KIMBERLY, March 17—Nancy Wanznerried, Kimberly, freshman at Colorado Woman's college, Denver, has been elected president of her residence hall for the next school year.

Voter League Leader Talks To Chamber

BURLEY, March 17—Mrs. Clifford Mullikin, finance chairman of the League of Women Voters, was guest speaker at the noon meeting of the Chamber of Commerce Monday at the National hotel.

She announced letters have been mailed this week to businessmen to inform them of the activities of the non-partisan organization which strives to promote active and informed citizenship in government.

"Know Your Town," a booklet about Burley's city government, has been published by the league. Election activities include registration information, candidates meeting, and baby-sitting on election day.

The budget for the Burley League of Women Voters has been set at \$400 for the coming year, reported Mrs. Mullikin. All work is done on a volunteer basis and there are no salaries paid, announced Mrs. Mullikin.

Earl Carlson, Burley high school principal, thanked the Chamber of Commerce and merchants for the gifts presented to students in Burley during the basketball tournament.

Next week Truman Bradley and William Parsons will speak at the chamber meeting.

Death Takes Mrs. Firkins

Buhl, March 17—Mrs. Mary E. Grapo Johnson Firkins, 82, 500 nineteenth avenue north, Buhl, died at 3:22 p.m. Monday in Magic Valley Memorial hospital of an extended illness.

She was born at Five Points, Utah, Oct. 6, 1881, and was married to George Johnson Nov. 30, 1897, at Annis. He died in 1904 and she was married to Ernest Firkins May 7, 1906, at LaBelle, Ida.

They moved to Buhl from Idaho Falls in 1928. Mr. Firkins died July 6, 1952. She was a member of the LDS church.

Survivors include one daughter, Mrs. Rosella James, Magna, Utah; two sons, Walter R. Johnson, Buhl, and L. E. Firkins, Bunker, Utah; four sisters, Mrs. Rose Haddon, Boulder City, Nev.; Mrs. Alice Haddon, Agate Beach, Ore.; Mrs. Edith A. Calkins and Mrs. Mina Preston, both Blackfoot, seven grandchildren and 11 great-grandchildren.

Funeral services will be held at 11 a.m. Friday at the Buhl LDS church by Bishop Leland G. Oeder. Concluding rites will be held at 2 p.m. Saturday at the Oeder Butte cemetery at Buhl. Friends may call at the Oeder-Dickard funeral chapel.

Cub Pack Sets Pinewood Derby

Cub Scout pack 76 will have its annual pinewood derby at 7:30 p.m. Thursday at Harrison school. It will be their regular monthly pack meeting.

Operation of the track and supervision of the races will be by the "Order of the Arrow." Winners will compete in the finals to be held sometime in May. The pack is sponsored by Harrison school PTA.

BOARD TO MEET

JEROME, March 17—The board of directors of the Jerome county Farm Bureau will meet at 8 p.m. Thursday in the county office. Walter S. Shouse, president, asks that directors unable to attend send an alternate.

SHOWING HOW FELT BOARD WORKS IN Twin Falls police court is Judge Dale J. Adamson. The felt board is used in hearings and arraignments of traffic accident cases when the violators want to show Judge Adamson how the accident happened. Judge Adamson says the board is a great help during a trial. The board is set up for a five-point intersection and a two-street intersection. The cardboard figures can be moved anywhere on the board. Judge Adamson has had the felt board for about two months. (Times-News photo)

WEATHER AND THE COMMON COLD

Q. Why do people take cold when the weather suddenly changes?

A. They don't, according to Cornell University doctors. In a four-year study of students' sniffles the physicians found that temperature change, wet weather, and getting tired had very little to do with catching cold. The doctors kept a week-by-week record of students who visited the cold clinic. The records matched year after year. There were a peak number of visits after each vacation period, with the biggest peak of all at the beginning of the school year when the weather was unusually good. There were almost exactly the same number of colds at opposite extremes of weather conditions — on the hottest and coldest and on the wettest and driest days, as well as on days with the greatest and least fluctuations in temperature.

CANKER SORES

Q. What causes canker sores?

A. The exact cause isn't known. These bean-size, crater-like mouth ulcers which seem to form without any reason, are quite painful. Home remedies seem to do very little good. Ordinary canker sores usually heal within a week or so. Mouth sores which drag on should be examined by a physician or dentist.

T.F. Police Probe Five Accidents

Twin Falls police officers investigated five minor accidents Saturday and Sunday.

Officers investigated an accident at 8:15 p.m. Sunday at the Greyhound bus depot.

They reported James E. Mahon, 25, 531 Adams street, turned into the bus depot parking lot and apparently put his foot on the gas pedal of his 1957 Chevrolet instead of the brake, which caused his vehicle to lunge forward and hit the left front of a 1947 Ford passenger bus owned by Frank D. Deane, 401 Seventh avenue north. About \$40 damage was reported to both vehicles.

Kenneth R. Martins, 24, Kimberly, was cited by city police for driving on an expired driver's license after the 1958 Pontiac he was driving struck a tire display at 7:33 Sunday on Kimberly road.

Investigating officers reported the tire display was in the lane of traffic on Kimberly road when the Martins vehicle struck it. About \$200 damage was reported to the vehicle.

Dale R. Strong, 48, 2081 Elizabeth boulevard, was cited for driving on an expired driver's license by city police after a two-car accident at 2:23 p.m. Sunday in the 200 block of Shoshone street east.

Strong was cited after the 1960 Chevrolet he was driving was struck in the rear by a 1953 Mercury driven by Bryant G. Davis, 17, 137 Seventh avenue east. Investigating officers reported the Strong vehicle was stopped behind another vehicle when it was struck. Apparently the vehicles were part of a parade of cars. Investigating officers reported.

Christopher Ashenbrenner, 15, 448 Buchanan street, was cited for speeding after a two-car accident at 7:28 p.m. Saturday at Seventh avenue north and Second street north.

Ashenbrenner was driving a 1960 Mercury which collided with a 1958 Pontiac driven by Milton I. Seefred, 37, 1874 Shoup avenue east. About \$100 damage was reported to both vehicles.

Officers investigated a minor accident at 11:50 p.m. Saturday in the 600 block of Main avenue south.

They reported Geneva W. Moyes, 151 Juniper street, driving a 1960 Mercury, turned into another lane of traffic and struck a 1948 Chrysler driven by Lester Cunningham, 21, 1510 Main avenue south. About \$200 damage was reported to both vehicles.

Hoffa Begins Appeal Work

CHATTANOOGA, Tenn., March 17 (AP)—James R. Hoffa now takes his case to the U.S. sixth circuit court of appeals, having gone through the technicality of asking for, and being denied a new trial on a jury-fixing conviction.

U.S. Dist. Judge Frank Wilson denied Hoffa's new-trial motion Saturday. But the president of the International Brotherhood of Teamsters already had announced he would appeal all the way, if necessary, to the supreme court.

Hoffa has been sentenced to eight years in prison and fined \$75,000 for trying to fix the jury that heard his 1962 Nashville conspiracy trial.

Smoke Health Warning Hearing Is Extended

WASHINGTON, March 17 (AP)—Chairman Paul Dixon of the federal trade commission Monday extended to April 15 the time for filing opinions on its proposal to tag cigarette packages with a health warning.

In a statement at the opening of hearings on the proposal, Dixon said the commission originally stated such views should be filed not later than March 2. He gave no specific reason for the extension, but indicated that it was because the original call brought numerous responses.

News Around Idaho

BOISE, March 17 (AP)—Gov. Robert E. Smylie says the casing of a shell fired NOV. 25 in tribute to the late President John F. Kennedy will go on display at the Idaho historical museum. A shell was fired for each state just after Kennedy's burial at Arlington national cemetery. The casing was for the shell fired for Idaho. It was received Monday.

BOISE, March 17 (AP)—Dr. R. H. Theophilus, president of the University of Idaho, and Mrs. Berta Albrecht, a public health nurse with the southeastern health department in Pocatello, were named Monday to receive the annual awards of the Idaho State Employees association. Marshall Edson, association president, said Dr. Theophilus and Mrs. Albrecht were selected from a list of 28 nominees drawn from more than 2,500 state employees.

WALLACE, March 17 (AP)—Officials of the Mine, Mill and Smelter Workers union and the American Smelting and Refining company are scheduled to meet Wednesday in an effort to end a three-month contract dispute. Workers at the company's Page and Galena mines near Wallace have been working without a contract since mid-December. The Wednesday meeting, arranged by Federal Labor Mediator J. L. Ashe, will be the first since negotiations broke off earlier this month. About 300 workers are affected by the dispute.

BOISE, March 17 (AP)—State Aeronautics Director Chet Moulton has asked the public to help apprehend persons responsible for firing shots at two planes, one while it was in flight. Moulton said the complaints were filed Monday by Marvin E. Fulcher, Nampa, and Edward Striegel, Grand View. Fulcher said a bullet struck his plane Sunday afternoon as he flew along the Snake river near Givens Hot Springs. He said it went through the arc of the propeller, striking a wing about a foot from a gasoline tank. Striegel said a bullet pierced the wing of his plane while it was parked on an airstrip near Gray. Moulton said if the bullet had hit Fulcher's plane had struck the propeller it would have broken it. He said if it had struck the gasoline tank it could have caused a crash. He said a person who caused a death would be subject to a charge of involuntary manslaughter.

BOISE, March 17 (AP)—The state highway board has authorized use of highway building funds to purchase new snow-removal equipment. Engineers told the board that present equipment is obsolete with no new snow-removal equipment purchased in eight years. The board approved a highway department recommendation to widen approaches of U. S. highway 30 on both sides of Buhl to allow walking room for children going to school. Planning Engineer Jack Pearing said Mayor Reed Maughan asked reduction in the 50 mile an hour speed limit outside the city. But Pearing said a reduced limit probably would be violated. State Highway Engineer G. Bryce Bennett said bids will be asked shortly to build a new bridge across the Boise river. It will accommodate a one-way couplet planned for routing east and west bound traffic through the city.

MOSCOW, March 17 (AP)—Sen. Cy Chase, D., Benewah, Monday criticized a decision by Idaho's legislative council to retain a Boise architectural firm to prepare plans for remodeling the house and senate chambers of the state Capitol. His blast came at the opening session of the council's first north Idaho meeting. The council had agreed earlier to recommend that the firm of Hummel, Hummel, Jones and Shawer draw preliminary plans to be submitted to the 1965 legislature. Chase said the "committee is deliberately pushing one firm regardless of what they charge." He questioned methods of estimating planning costs and contended the council was "led to believe there were no other firms around that could do the job."

BOISE, March 17 (AP)—Atty. Gen. Allan G. Shepard has filed a brief in the Idaho supreme court denying that fifth district court made errors that should result in a new trial for Gish's attorneys. Gish's attorneys filed a reply in appeal entered by Gish's attorneys following his conviction last May on a charge of voluntary manslaughter in the fatal shooting of Edward McEvoy. In their appeal, Gish's attorneys asked the supreme court to set aside the conviction, on grounds that the trial court committed reversible errors in excluding evidence they contend would have proven Gish insane at the time of the shooting. Shepard held, however, that the court was correct in refusing to admit the evidence.

BOISE, March 17 (AP)—Gov. Robert E. Smylie Monday told a meeting of the Ada County Republican Central committee he is confident the state's new water study committee will take early action to secure protection of Idaho's water resources. The governor told the Republican group the committee "accomplished a good start" at its initial meeting March 10. He said "I was impressed with the understanding of the complexities of the problem that every member of the committee displayed despite the fact they came from widely separated areas of the state and represent widely divergent interests. I have every confidence they will work together and that a bipartisan approach will assure early action in the important matter."

Pilot Who Participated in Atomic Bombing Is Arrested

GALVESTON, Tex., March 17 (AP)—Claude R. Eatherly, 45-year-old former air force pilot who participated in the atomic bombing of Japan in 1945, was charged Monday with armed robbery and held in jail under \$10,000 bond. Police said Eatherly used a realistic-looking cap pistol Friday day to rob a drive-in grocery store in Galveston of \$152.

Eatherly has had various brushes with the law and has been in and out of psychiatric hospitals since he was discharged from the air force with the rank of major in 1947.

The B-29 pilot flew reconnaissance missions in connection with the bombings of Hiroshima and Nagasaki that killed more than 200,000 people. Psychiatrists have said he suffers from a guilt complex as a result of the atomic bombings.

Winners were Mrs. W. C. Kays and Mrs. H. C. Hall, first; Mrs. H. E. Russell and D. J. Lusk, second; Mrs. C. J. Dover and Mrs. J. C. McMillin, third; and Mrs. J. T. Shelby and Mrs. A. J. Lindemer, fourth.

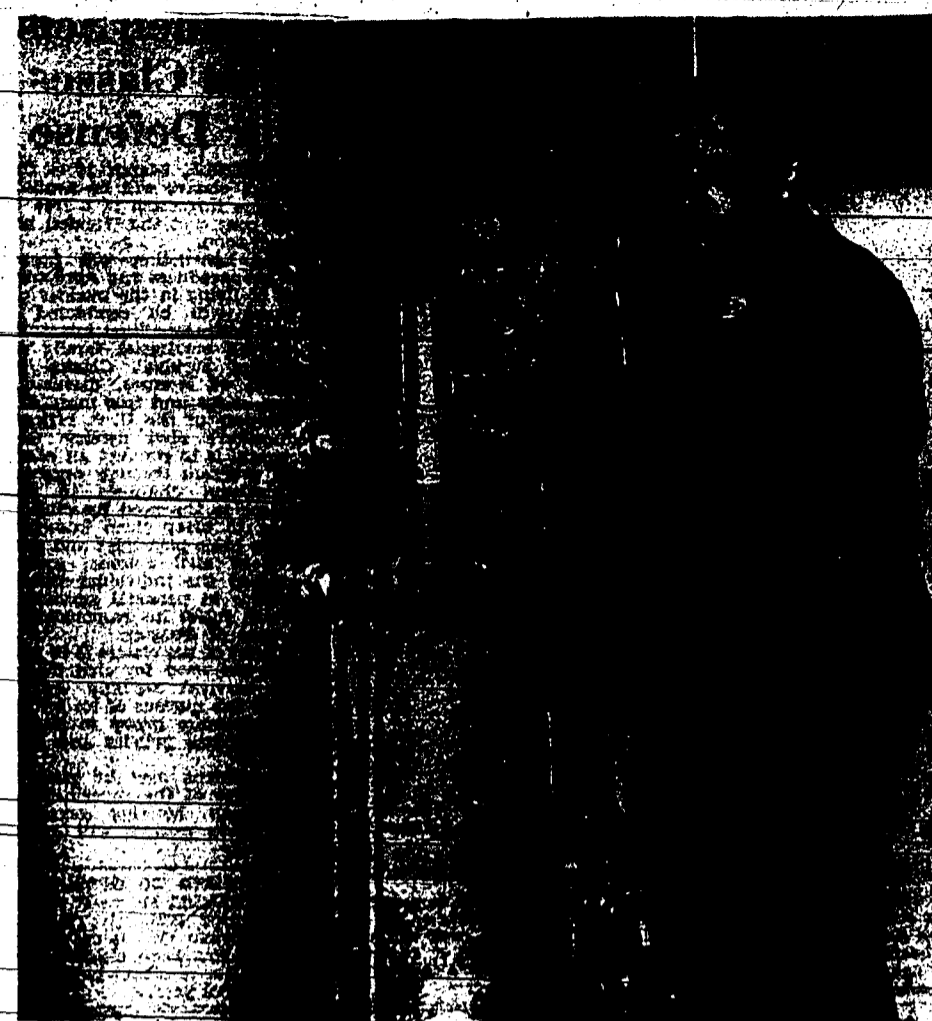

Club Has Dinner Meet at Burley

BURLEY, March 17 (AP)—Mini-Oasis Duplicate Bridge club members held a special dinner Sunday at the Ponderosa Inn, with dinner being served in the Driftwood room and nine tables in play in the conference room.

North-south winners were Haven Giersch and Mrs. Max Hogg. East-west winners were Gayle Wolf and Arthur Norby, Rupert.

Prizes were won by Del Holmes, Heyburn; Emma Lou Andrews, and Mrs. H. P. Ross, both Hazelton; Charles Moffitt, and Mrs. Arthur Solomon, Burley; and Arthur Norby, Rupert.

FILLING A WATER TANK with soft water is Norman Peterson, 1813 Heyburn avenue east, at the new soft water plant located at 1517 Kimberly road. Peterson is owner and operator of the "Servisort" division, Water Treatment corporation. The plant is open now. (Times-News photo)

New Soft Water Service Is Opened on Kimberly Road

Norman I. Peterson, 1813 Heyburn avenue, is owner and operator of the new Servisort soft-water plant, a division of Water Treatment corporation, now open at 1517 Kimberly road. The plant will offer three types of service—monthly exchange service, with three different sizes of tanks; automatic rental service, and home-owned service.

Peterson, 36, came to Twin Falls from Pinley Park, Ill., Feb. 1. He is renting his home at present, but plans to buy one later. He has two daughters, one 13 years old and the other 15. Both girls are attending O'Leary Junior high school.

Peterson's office will be in his home for the present, he said. He also said there will be a grand opening of the plant soon.

DRAFT CALL REPORTED
WASHINGTON, March 17 (AP)—The defense department announced Monday that 12,000 men will be drafted in May for service with the army. The May selective service quota is the same as for April and 2,000 fewer than this month's quota.

The emergency commitment, signed by a peace officer and Anderson's wife, permits the hospital to retain Anderson for five days only. A petition for further commitment by a court is in the hands of the courts, however, added Dr. Heninger.

The commitment to the mental institution grew out of a reported assault on his wife. Anderson had applied for voluntary commitment earlier, but could not be accepted because he is not a Utah resident. He lacked the necessary twelve months residence to qualify.

Race Rules Barcelona Court Finds Yanks Guilty

BARCELONA, Spain, March 17 (AP)—A Spanish civil court sentenced four Americans, a Spanish woman and a British girl to long prison terms Saturday for the robbery-murder of a Barcelona furniture dealer.

The sentences were: James Bell Wagner, 23, Union Beach, N.J., 30 years; Maria del Pilar Alfaro Velasco, 32, Spanish mother of two daughters, 23 years; John Joseph Hand, 40, Southfield, Mich., and James Stephen Johnston, 30, Bluejacket, Okla., 21 years each; Nancy Karen Hand, 23, Detroit, 12 years and one day; Joan Douglas Bryder, 22, a British librarian, six years.

Court attaches said the prison terms would be cut at least in half by an amnesty which Generalissimo Franco ordered. The six prisoners were arrested after the slaying Nov. 17, 1962, of Francisco Robirosa, 50, in his shop. The crime netted only \$33 in loot.

Senator Asks Minting of Silver Dollars

WASHINGTON, March 17 (AP)—Early approval of legislation authorizing the issuance of 180 million dollars in new silver dollars is urged by Sen. Frank Church, D., Ida.

Church said he has told the appropriations subcommittee on treasury and finance that the national stock of silver dollars has declined from 115 million in 1962 to approximately 25 million, and that the last silver dollar was minted in 1935.

The senator also reported that the John F. Kennedy silver half-dollar should be available through Idaho banks late this month or early in April.

He said distribution will be made through federal reserve banks to local banks after 25 million of the coins have been minted.

Solons Argue For Silver Dollar Coins

Continued From Page One

ing 100 years of statehood. He suggested that Nevada's centennial also be noted by the minting of dollars.

"Like Montana," Cannon said, "Nevada's past and present and, I hope, its future is and will be intricately tied to silver."

"The use of silver dollars has become an essential part of our everyday commerce in every form of retail trade. It is part of our attraction as a tourist state."

"Silver dollars are to the West what cornmeal and black-eyed peas are to the South—or what Boston baked beans are to Massachusetts."

Rep. Walter S. Baring, D., Nev., said Nevada has been called the silver state since its mines provided "much of the funds necessary to finance the Civil war."

He referred also to the clink of silver dollars at Nevada gambling tables:

"We in Nevada rarely carry paper money. It is all silver. This is true because we do have legalized gambling, and coin machines, slot machines, etc., are very legal in our state."

In Nevada, gambling is as legal as a butcher shop. It is going to hurt our economy very much if you do not have the continuation of the coinage of silver."

Rep. Donald G. Brotzman, R., Colo., told the subcommittee:

"Even a casual and quick trip through Colorado's once booming mining areas is compelling testimony to the truth of the assertion that our miners need help."

Through the enactment of this legislation we can put honest miners back to work, remove the crutches of unemployment compensation and stop the flow of area redevelopment subsidies."

Rep. James F. Battin, R., Mont., said several Montana merchants are anxious to buy bags of 1,000 new silver dollars during the centennial year.

He submitted for the subcommittee record a story of a Montana bank robbery which he said "emphasizes the importance of silver dollars in Montana."

The robbers took \$20,000 in coins, Battin said, proving that "even bank robbers prefer silver dollars to the paper variety."

Rep. Arnold Olsen, D., Mont., said silver dollars are used widely in Montana, Idaho, Nevada, Alaska, Wyoming, Colorado, New Mexico, Oregon and Washington.

"The economy of these areas is growing, and they are, of course, growing in their use of the silver dollar," he said.

One hard drinker should be noted for the convenience of the public and for the benefit of the silver mining industry."

At one point during the hearing, Rep. J. Vaughan Gary, D., Va., chairman of the subcommittee, said he and Rep. Clarence Cannon, D., Mo., chairman of the full house appropriations committee, are opposed to the minting of silver dollars.

Secretary of the Treasury Douglas Dillon, responding to Gary's comment, said:

"I would like to say one thing to the record on that. When the bill went through last year re-

ICICLES REACH FROM ROOF to ground on north side of the North Fork store, seven miles north of Ketchum on highway 83. Sunday was the first real "thaw day" of the year for this area and the icicles began forming in earnest. The thawing continued Monday, but, as this picture shows, the spring sun has a lot of work to do before it gets down to bare ground. (Times-News photo)

pealing the silver legislation, during the course of the hearings I was specifically asked whether there should be a decrease in circulation—or impediments to the circulation—of silver dollars.

"To this industry, I said, 'No.' I think it is shown in the official hearings that we said that if there were need for further silver dollars, we would mint them and this recommendation is in accordance with the legislative history at that time."

Now what the congress wants to do about it, that is up to your committee."

Gary then told Dillon: "You (Dillon) can say that you recommend it, but the chairman of the subcommittee (Gary) has opposed it. I will assume the blame and I hope the subcommittee will stick by me."

Rep. Tom Steed, D., Okla., a member of the subcommittee, told Gary he agreed with him and added:

"I am afraid any need that might be shown for silver dollars might be the sort of a need that the government might not be too concerned about."

CHILD HOSPITALIZED
HEYBURN, March 17 — Mr. and Mrs. James Wilcox have received word their infant grandson has been admitted to a base hospital in Biloxi, Miss. The child is not reported in serious condition. He is the son of Mr. and Mrs. Don Wilcox. Wilcox is stationed there with the air force.

Dedicated Pocatello Lawmen Worked to Catch Suspects

POCATELLO, March 17 (AP)—The Vicki Jo Quinn case has had top priority for all officers in the Bannock county sheriff's office for the past 23 months.

Officers were instructed to work on the case in their spare time. Sheriff H. E. Parker and his deputy for criminal cases, Robert Alkens, pulled out their growing file of evidence many times, and went back over the investigation, hoping to find a fresh lead.

Monday, this never-give-up attitude led to two arrests in the case. Parker and Alkens announced Sunday that Richard Burt, a 17-year-old Highland high school senior, had given them a statement saying that he and another youth, JOHN DEE LARSEN, 21, had planned the killing.

Burt said Larsen stabbed the girl and both of them buried her.

"This never would have been a closed case," Parker said, "not while I remained in law enforcement work. We went back over the evidence time after time, trying to find something that might give us the lead we needed."

A thick file of evidence, including such items as crank letters from all across the county, collected in Parker's office, it occupied the top drawer of a filing cabinet, and contained every scrap of paper, every statement

which might be relevant to the case.

Parker has several letters from persons living in other parts of the country, offering what they believed to be a solution to the case.

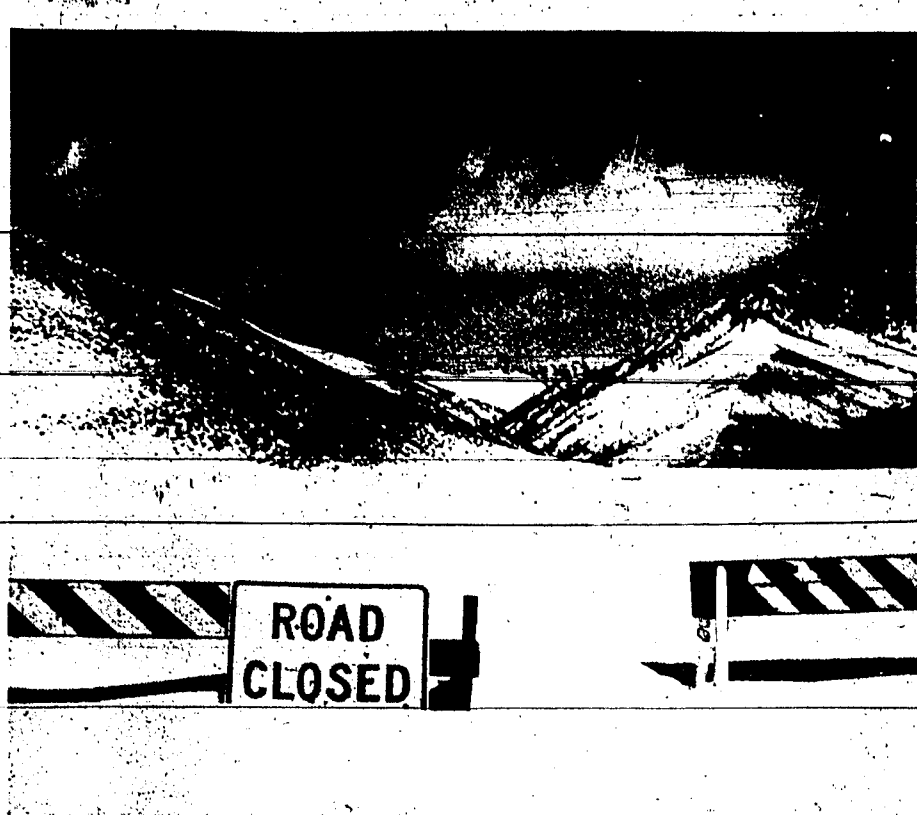

Several times, the sheriff said, he went back to the beginning and started to investigate again. Every time, he said, all testimony and evidence pointed to the same conclusion. "Sometimes I even wouldn't tell Bob (deputy Alkens) what conclusion I had reached, for fear of influencing his thinking on the same evidence," the sheriff said.

Deputy Leon Pratt spent full-time working on the case for sometime. After Pratt resigned from the staff, Alkens picked up the investigation, along with Parker.

They estimate that they conducted 175 interviews with friends and associates of the victim, high school students, and anyone who appeared to have some connection with the case.

Parker traveled to Wyoming twice, to Boise, Ogden, Brigham City and Salt Lake City always seeking information to strengthen his case.

Everyone took a hand in the case. Even radio dispatcher Lou Dubbe came back to the office at night several times to type state-

NO DOUBT ABOUT IT, this road is closed. The sign and barricade are just above the intersection of the Trail Creek cabin road with the road leading from Sun Valley over Trail Creek summit. The view is looking northeastward up Trail creek canyon. Heavy snows this winter have blocked off most side roads in the northern section of Magic Valley. (Times-News photo)

T.F. Driver Is Cited After One-Car Crash

Jim G. Chesnutt, 18, 410 Martin street, was cited for reckless driving by Twin Falls Deputy Sheriff Dennis Haynes after a one-car accident at 10:38 p.m. Monday on Falls avenue.

Haynes said Chesnutt was driving a 1957 Plymouth east on Falls avenue and lost control of the car. The car went off the right side of the road and rolled for 90 feet before coming to rest on its top. Haynes said the car left 170 feet of skid marks on the road.

The Plymouth was demolished. Chesnutt was treated for cuts and bruises at Magic Valley Memorial hospital and released.

ments taken from various persons.

Alkens said in recent months, he spent some time with the Burt youth, trying to convince him that it would be in his best interest to tell officers everything he knew of the case.

Finally, on Sunday, Alkens asked Burt and his father to come to the sheriff's office for another talk. While his father sat in an outer office, Alkens said Burt told him he wanted to talk.

They estimate that they conducted 175 interviews with friends and associates of the victim, high school students, and anyone who appeared to have some connection with the case.

Mrs. Barnett, McMurray Are Endorsed

BOISE, March 17 (AP) — Ada County's Republican Central committee has endorsed the Idaho GOP national committeewoman and state chairman for new terms in office.

The action was taken at a Boise meeting last night.

Endorsed for new terms were Mrs. Steele Barnett and Chairman John O. McMurray, a Boise insurance man.

The move was viewed as a qualified victory for Mrs. Barnett. Precinct Committeeman James Goller introduced the resolution for endorsement of Mrs. Barnett. The name of McMurray was added at the request of George Denney, Boise.

After a brief floor battle, it was agreed to send out separate letters endorsing the two officials.

The national committeewoman figured in a recent shakeup of the Republican state central committee in which the McMurray and Gov. Robert E. Smylie forces were left out in the cold.

Defeated by the county committee was a move to pair delegates to the state assembly with alternates who agreed with their political philosophies. The move was seen as an attempt to assure Goldwater backers of retaining their strength at the state assembly.

Little Costumes Are Big Hits For Spring

By HELEN HENNESSY

NEW YORK, March 17 (NEA)—When two or more items are teamed together for a total look, we arrive at the "costume." And the costume turns up for every time of day this spring. This is apparent from the collections shown in New York this week.

There are two coats with matching paisley sheath dresses for daytime wear, silk dresses designed to be worn with coats of the same color in contrasting fabrics. Dresses that have their own jackets are as popular as ever.

For late afternoon and early evening the costume comes into its own in both silk and organza, boldly printed with blossoms. Some sheath dresses are topped with short jackets, others have their own full-length coats. And there are many unusual costumes for formal wear, too.

The newest look in this category for spring '64 is one of contrasting lemmings. Many town costumes are done in two colors, such as a black linen skirt and black organza blouse worn under a white linen jacket, or a black and gold striped skirt may top a solid black skirt, and, in turn, be topped by a gold short coat.

In keeping with the new swing to softness, many costumes have ruffles at the sleeves or neckline.

White, pale green, pale orange and a wide range of pastels are the colors most frequently seen. And among the prints, black with white and black with yellow are most striking.

The 45th birthday anniversary of the American Legion will be observed with a potluck dinner at 8:30 p.m. Wednesday at the Legion hall. This event is sponsored by the American Legion auxiliary. A program will be presented. Members are to bring a covered dish and own table service. Rolls and dessert will be furnished.

Welcome Rounds will dance at 8:30 p.m. Thursday at the Beirditorium. Joe Gibbs is the instructor. Bring dessert or sandwiches.

Union Pacific Boosters club will meet at 8 p.m. Thursday at the home of Mrs. Morris Blackburn, 381 Second avenue west. Mrs. A. L. Hargrave will give the thought for the day.

Morningside club will meet for a work meeting Wednesday at the home of Mrs. Eugene Stacey, 663 Alburas drive. A secret pal Easter gift exchange will be held.

HAGERMAN—Friendship night will be observed at 8 p.m. Wednesday at the Masonic temple by the Eastern Star.

HAGERMAN—The St. Catherine's choir will serve trout supper from 5:30 to 8:30 p.m. Saturday at the IOOF hall.

SHOSHONE—Woman's Society of Christian Services will meet at 8 p.m. Wednesday at the home of Mrs. Richard Gerity. Mrs. Woodrow Harris will be in charge of the lesson and Mrs. W. O. Elliott is co-hostess.

Wesleyan Service guild at the Methodist church meets at 8 p.m. Wednesday at the home of Mrs. Clyde Dickinson, 422 Polk street.

Country Flower club will meet at 2 p.m. Thursday at the home of Mrs. Maxine Nelson.

Mrs. E. Walter Feted by OES

FILED, March 17—Mrs. Earl Walter was honored for her 50-year membership in the Order of Eastern Star at the March meeting of the group. Mrs. Edward Brown, worthy matron, read a synopsis of Mrs. Walter's years of membership in the organization and Mrs. Earl Lathue presented her a pin on behalf of the chapter.

Mrs. William Bliss presented a talk on the history of Esther, one of the star points. Mrs. Clinton Dougherty and Mrs. Everett Bonnichsen gave reports on a recent dinner and luncheon served.

Refreshments were served by Mrs. Gilbert DeKlotts, Jr., Mrs. R. W. Pierce, Mrs. Carrie Arnes and Mrs. Merle Allison.

Anniversary Is Observed

Goodwill club members observed the 31st anniversary of the club at a birthday anniversary dinner held at the home of Mrs. Virgil Malone.

Guests were Mrs. Stella Brennan and Jane Kelley. Mrs. Paul Anderson and Mrs. Soper were pinocchio prize winners.

A committee, Mrs. Anderson, Mrs. Glen Engleman and Mrs. Lloyd Kelley, gave a layette to a needy family.

The next meeting will be held March 25 at the home of Mrs. Mae Meader.

LUNCHEON HELD CASTLEFORD, March 17—Mrs. Laura Heller was hostess for Themasus Bridge club members at a desert luncheon. Two tables of bridge were played with Mrs. Fred Ringert and Mrs. Gus Kudlas receiving high prizes.

Special Easter Program Given For Filer WSCS

FILED, March 17—A special Easter program was presented at the general meeting of the Women's Society of Christian Service at the Methodist church. Mrs. Morris Carlson, program chairman, presented a number of vocal solos and quartet numbers.

The altar featured an open Bible, banked with Easter lilies. Members of the four circles of the church took part in the program.

The Ruth circle will be in charge of the fellowship dinner Wednesday.

Mrs. Anna Beaton and Mrs. E. A. Beem presided at the table. The table was covered with a white cloth and centered with a lavender floral arrangement with matching tapers.

Mrs. Lierman Gives Topic For Filer Guild

FILED, March 17—"In God We Trust" was the topic presented by Mrs. Reuben Lierman at the meeting of the Peace guild at the home of Mrs. Martha Lierman.

The opening devotional service was based on a prayer by St. Francis of Assisi.

Mrs. Lierman read excerpts from an article by Mrs. Belle V. Dodd, prominent New York attorney and educator, which appeared in a recent issue of Guideposts. The article deals with the U.S. supreme court's decision that the New York schools' regent's prayer was unconstitutional and the trend of the courts to remove God as an important influence in the life of our nation.

In her article Mrs. Dodd states that members of congress are now working on a constitutional amendment which would restate the first amendment to the constitution to allow prayer and Bible reading in schools on a voluntary, non-sectarian basis. The amendment would also head off suits now pending to eliminate God from the pledge of allegiance and our coins.

Mrs. Dodd urged all those who are behind this action to write their congressmen and let them know.

Mrs. Martha Lierman reported on visits made by the calling committee. Mrs. Marvin Rutherford gave a report on sewing projects. The yearbooks were discussed and the song, "Take My Life and Let It Be," was chosen as the guild song for the year.

The group discussed final plans for serving a wedding reception and a golden wedding anniversary open house in the near future.

Mrs. Harvey Maxson will be hostess for the April 9 meeting.

Enrollment Is Held by WOTM

Women of the Moose held their regular formal enrollment meeting at the Moose home.

Pro-term officers include Mrs. Ted Soper, junior graduate regent; Mrs. Charles Mattice, guide; Gallene Carlock, sentinel, and Mrs. Robert Welch, argus.

Mrs. Robert Haning was enrolled as a new member. Refreshments were served by members of the Moosehaven committee.

"If you plant it— or feed it... GLOBE SEED WILL HAVE IT"

REGISTRATION Of Twin Falls KINDERGARTEN

(For fall term) Will be held in Basement Room LINCOLN SCHOOL (Use Sixth street south entrance)

FRIDAY MARCH 20th, 9 a.m. to 3 p.m.

2 Qualified Teachers for each session

MORNING CLASS.....9 to 11:15 A.M.

AFTERNOON CLASS.....1:00 to 3:15

Sponsored by Pre-School P.T.A.

St. Patrick's Day Observed

St. Patrick's day was observed and depicted in table decorations and refreshments at the Past Noble Grands club meeting held at the home of Mrs. Mae Doolittle.

Mrs. Alice Shiffer was installed as recording secretary. The thought for the day was given by Mrs. W. R. Chase. Mrs. Carl Ridgeway was appointed to work with the Triple Link club for repairs at the IOOF hall.

Mrs. Robert McCracken won the special prize. The program was under the direction of Mrs. Hugh Anderson. Prizes were won by Mrs. Chase and Mrs. E. T. Guttery.

Mrs. Lora Doss presented a quiz on U.S. presidents. Mrs. Anderson gave a reading, "Fern Seeds Make You Invisible," by Jean Hersey.

The next meeting will be held April 9 at the home of Mrs. Lilian Dean. Refreshments were served by Mrs. Willford Benedict, Mrs. Hulda Gott and Mrs. Lilian Harmon.

Lesson Given For View DUP

VIEW, March 17—"Pioneers who lived to be 100 years of age" was the lesson given by Mrs. Pauline Nelson for the Sarah-Emma camp. Daughters of Utah Pioneers. The group met at the home of Mrs. Edwin Anderson.

Mrs. Leland Woodbury reported on the County camp meeting. Mrs. Marian Gould read the history of the Sarah-Emma camp that is being prepared for the county history book.

Mrs. David Moffett read the history of her grandfather, John Anson Waite, who came to Utah with the Brigham Young party in 1848.

Refreshments were served by Mrs. Anderson, assisted by Mrs. Nelson.

Mrs. Gould will be hostess for the April 9 meeting.

Enrollment Is Held by WOTM

Women of the Moose held their regular formal enrollment meeting at the Moose home.

Pro-term officers include Mrs. Ted Soper, junior graduate regent; Mrs. Charles Mattice, guide; Gallene Carlock, sentinel, and Mrs. Robert Welch, argus.

Mrs. Robert Haning was enrolled as a new member. Refreshments were served by members of the Moosehaven committee.

"If you plant it— or feed it... GLOBE SEED WILL HAVE IT"

Donna Decker, Nielson Plan Temple Rites

BURLEY, March 17—Mr. and Mrs. Francis J. Decker, Fuyallup, Wash., announce the engagement of their daughter, Donna, to Gordon Stanley Nielson, son of Mr. and Mrs. Adonis H. Nielson, Burley.

Miss Decker is a graduate of the University of Washington, Seattle. She is presently teaching in the Palo Alto, Calif., school system. Nielson will complete his senior year at the end of the summer term at Stanford University. He is a pre-law student and a member of the Delta Chi fraternity.

A March 21 wedding is planned at the Idaho Falls LDS temple.

Unit Assembly President Is Honored

BELLEVUE, March 17—Pauline Howerton, president of the Rebekah assembly of Idaho, was honored by Mayflower Rebekah lodge members. The dinner served at 8:30 p.m. at the IOOF hall was prepared by members with Mrs. Halbert Hatch and Mrs. Steven Dorchak heading the planning committee and Mrs. Theodore Trowbridge in charge of decorations.

Miss Howerton's chosen colors of pink, blue and silver were used. Theme of the banquet was "Harmony."

Mrs. Floyd Slevens, noble grand, was toastmistress and gave the welcome address. Mrs. Charles Johnston gave the prayers. The honored guests were introduced and presented corsages by Mrs. Garth Sims.

Johanna Kohler presented a pantomime. Dawn O'Rae Ivie gave a dramatic reading and Carol Spring sang several solos. During the meeting, a ceremony, "Meditation for peace," was read by Mrs. Jerald Ivie. Mrs. Willis McKercher played background music. Mrs. Walter Nelson and Mrs. Sims were guard-liners and banners were carried by Mrs. Holger Albrethsen, Mrs. Roy Fitz, Mrs. Bruce Springer and Mrs. Dorchak.

Miss Howerton chose as her topic "Fabric of Oddfellowship."

"Truth," she said, "shows us what we should be, and love shows us what we can be, in our lives."

Mrs. Trowbridge was hostess at the coffee hour.

Reservations Deadline Noted

JEROME, March 17—Reservations for the annual southern Idaho district convention of Home Demonstration clubs must be in the Jerome office by Monday.

Mrs. H. O. Nix, home demonstration agent, said all Home Demonstration club members are invited to attend the conference. If they do not have a registration blank, extra forms are available at the office.

The meeting will be held at the Methodist church, Shoshone avenue and Fourth street, Twin Falls. Registration and coffee hour is from 9 to 10 a.m. A luncheon will be served at noon.

Magic Valley Favorites

MRS. KLETA BREEDING

Marlaugh

BARBECUED SPARERIBS

3 to 4 pounds ribs, cut in pieces
1 lemon
1 large onion
1 cup catsup
1 cup Worcestershire sauce
1 teaspoon chili powder
1 teaspoon salt
2 dashes tabasco sauce
2 cups water

Place ribs in shallow roasting pan, ribs side up. On each piece place a slice of unpeeled lemon and a thin slice of onion. Roast in very hot oven, 450 degrees, for 30 minutes.

Combine remaining ingredients; bring to a boil and pour over ribs. Continue baking in moderate oven, 350 degrees, until tender, about 45 minutes to 1 hour. Baste ribs with the sauce every 15 minutes. If sauce gets too thick, add more water. Serves 4.

(The Times-News will pay \$1 each week for the best recipe submitted to Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page of the Times-News and cannot be returned.)

Historic Flag Reproduced For Big Fair
BALTIMORE, March 17 (AP)—Francis Scott Key wasn't kidding when he wrote the Star-Spangled Banner in 1814. The flag which withstood the British bombardment of Fort Mifflin in Baltimore and inspired Key to write the song that became the National Anthem has stripes two feet wide. Seventy-five Maryland women used more than three miles of thread and about 600,000 stitches in reproducing the flag, which is the largest American flag ever flown in battle. The banner measures 49 feet by 95 feet and weighs 75 pounds. It will be displayed in the Maryland pavilion at the New York World's fair.

Oregon Vote Can Indicate President

PORTLAND, Ore., March 17 (AP)—Only once since 1916 has the country elected as president a candidate who failed to win in the Oregon primary election. This year's primary will be held May 16 and six Republicans are on that party's ballot. Johnson is alone on the Democratic ballot. If the long trend continues that means President Johnson, certain of nomination, will be elected in November or the Republican Oregon winner will get the nomination at the national convention and go on to victory. Of course, there was 1920 which dined the luster of Oregon as a crystal ball. Oregon Democrats that year favored William Gibbs McAdoo and the convention named James M. Cox. The state's Republicans voted for Warren G. Harding who won the nomination at the national convention. But aside from that blemish, the Oregon record is clear. Indeed, in seven of the 12 elections from 1916 through 1960, both Oregon winners have been their parties' nominees. And in three of the five where they were not, Oregon Republicans had smiled on a favorite son or a neighbor—Johnson, Calif., in 1928; Sen. William E. Borah, Idaho, in 1936; and Sen. Charles McNary, Ore., in 1940. Those were the only times the Oregon Republicans missed. This year there is no favorite son to divert the Republicans and they will be able to choose among Sen. Barry Goldwater, Gov. Nelson Rockefeller, Ambassador Henry Cabot Lodge, Gen. William Scranton, former Vice President Richard Nixon and Sen. Margaret Chase Smith. All will be on the ballot.

State Funds May Be Nipped at Salmon District

BOULDER, March 17 (AP)—The state education department will have to cut off funds from the Salmon school district if the district insists on retaining an uncertified teacher at Gibbonsville. The warning came yesterday from State Public Instruction Dept. D. F. Engelking. Taking note of statements by Salmon school officials that rigid enforcement of certification laws could result in the closing of the remote one-room school, Engelking said the state "has no recourse" but to enforce the statute. "If they push it, we'll have to shut off their funds," Engelking said.

Smoke Ban
MANHATTAN, Kans., March 17 (AP)—The sale of cigarettes was banned Monday on state-operated university and college campuses. When the rule goes into effect in 3 days there will be no effort to prevent smoking—only the sale. Cigar and pipe tobacco are not affected.

Delinquent Coddling Hit By Judge

IDAHO FALLS, March 17 (AP)—The Montana district judge who reduced serious juvenile crimes in Helena 50 per cent with his open court handling of juvenile felons, told an Idaho Falls audience over the week-end that the "molly-coddling and so called progressive thinkers have put juvenile handling in a mess and they don't know how to get us out of it." Speaking before more than 1,800 persons, Judge Lester H. Loble declared that juvenile delinquency has reached "shocking proportions because we are shielding the three per cent of the hoodlums to the detriment of the 97 per cent of the fine youth of our nation." Judge Loble said under Montana law juveniles are handled at the district court level. He said he closes to the public the names of juveniles (those under 18) who commit misdemeanors or the lesser crimes. Felony cases against juveniles, however, are held in open court with names of those charged and their parents and the disposition of the case made public. Those found guilty of the felony can be sent to the reform school in Montana. Juvenile felons are not sent to the state penitentiary. "It is a myth that publicity glorifies crime and crime committers. Anyone who gets such glorification of his name in public print, should be sent away because he is obviously a menace to society," he declared. A retired lawyer of 40 years experience in Montana who decided later to become a district judge, Loble said he deplores "those public officials and parents who cringe from assuming their responsibilities with the hard core delinquents."

Solons Charge Secret Spending Is Under Way

WASHINGTON, March 17 (AP)—Republican senators have charged that defense and space officials may be secretly spending millions of dollars without knowledge of congress and taxpayers. Sen. Hugh Scott, Pa., and Gordon Allott, Colo., Sunday cited as evidence President Johnson's recent announcement that the 2,000-mile-an-hour A-11 aircraft had been developed secretly. "It was indeed a shock to me," said Allott, a member of the appropriations committee. He said he has learned that only four of the committee's 27 members knew about the project.

ATTEND CONVENTION
RICHFIELD, March 17—Five Richfield high school delegates and two advisers attended the Girls' league convention at La-Grande, Ore. They are Linda Sanders, Madge Helderman, Sandra Kelly, Eva King and Karen Crowther. Mrs. Eileen Schaffer and Mrs. L. T. Sanders accompanied them.

'First Lady Aviator Was Kitty Hawk'
WASHINGTON, March 17 (AP)—"I know what a sextant is but I'd rather not say." "Thanks to what we are learning from aviation, we should soon be able to look forward to having ceilings made out of fog." "Floyd Bennett comes from the year 1926. He is a famous aviator few people have ever heard of." "During the twenties people started walking on airplane wings and the like. I know it is crazy, but this was before television so what else was there to do?" "The first lady aviator was 'Kitty Hawk'." All those are quotes from student essays collected by Harold Dunn, who teaches school in Kirkwood, Mo. United Airlines gleaned a number of the unwitting witticisms for its passenger magazine "Maidliner." Dunn says one of his students informed him that a man named Roger Wilco invented the "language of communications." Another listed the three most important crewmembers on a plane as "pilot, navigator and percolator." A young lady described Baron von Richthofen, the German Ace in World War I, as "in a uniform or not... a dashing figure." When Dunn inquired of his class how long Wilbur Wright was in the air on his first flight, one answer was: "I'm not sure. Five feet something with his shoes on."

Here are some other youthful concepts of the flying business: "Back in 1924 eight men tried to fly around the world but they only ended up where they started." "Spinning Jennys" were "flying Jennys" that didn't work. "A visa is a passport permitting immigration. For round trips, you need a vice versa." "So far, planes have only been able to fly in circles of no more than 360 degrees. This could be."

BIRTH REPORTED
SHOSHONE, March 17—A daughter was born to Mr. and Mrs. Richard Flores, Pullman, Wash. Mrs. Flores is the former Verla Barney, daughter of Mr. and Mrs. Dean Barney, north Shoshone. Maternal great-grandmother is Mrs. Marion Iness, Shoshone.

Recipe for a perfect Easter meal

HAM BAKED IN FOIL

Wrap a Falls Brand ham in heavy-duty aluminum foil and bake in a 350-degree F. oven for 40 minutes. Foil keeps ham moist while it heats. Remove from oven, roll back foil, score, glaze, and garnish ham. Return to oven and bake for 30 minutes longer, basting occasionally. Foil keeps your baking sheet clean. (MMMMMMMMM!)

Falls Brand HAM, (of course!)

Another fine product from Independent Meat Company, serving Idaho for over 50 years.

Suspension Lifted On Hornung, Karras After Sitting Out Last Season

NEW YORK, March 17 (AP)—Paul Hornung and Alex Karras, two top pro football stars whose suspension last year for betting on games shook the National Football League to its foundations, were reinstated Monday after sitting out one full season. Hornung, the Green Bay Packers' Golden Boy who led the NFL in scoring three years, and Karras, the Detroit Lions' tough defensive tackle, were suspended indefinitely last April 17. Both had admitted to betting on their own teams to win games and, on games in which they were not involved.

Hornung Plans to Begin Training Soon

By The Associated Press
Paul Hornung got the news in Miami Beach that he had been reinstated as a player by the National Football League and immediately began planning early training sessions to get his legs in shape. The star Green Bay Packers' halfback was vacationing in Florida when he was awakened by a phone call saying NFL commissioner Pete Rozelle had lifted the suspensions imposed on him and Detroit's Alex Karras 11 months ago for betting on games.

"That's wonderful news. I feel very good about it," Hornung said. "I'll be a real tiger out there on the field this fall," he promised. In Green Bay, Packer coach Vince Lombardi commented conservatively, "I'm very happy to have Paul back."

Lombardi shifted Hornung from quarterback to halfback when he became Packer coach and the move paid off when Hornung won the NFL scoring championship three years in a row. "I've thought about whether the payoff would bother me," Hornung said, "but honestly I don't think it will. I weigh 250 pounds, only about six pounds over my playing weight."

Hornung said he would report to Lombardi in Green Bay early in May and would do a lot of running to get his legs in shape. The Packers' regular training season starts in July. Karras, described by Rozelle as a player with tremendous pride, finally agreed that the commissioner had acted properly in suspending him and Hornung. "Earlier, he had angrily denied doing anything really wrong."

"It really hurt me and my family and I lost a year of football, but I respect the commissioner and maybe I would have done the same thing in his place," Karras said. "I don't feel like I used to feel about it."

Henry Clay Ford, president of the Lions, issued a statement which said: "All of us in the Lions organization will be happy to have Alex back in the line-up. I believe his aggressive play will give a boost to the whole team."

Proel Krause, president of the NFL Players' association, commented: "I have talked with dozens of players, many of whom were not at the association's annual meeting and I have yet to meet one who opposed the reinstatement."

Attorney for Liston Enters Innocent Plea

DENVER, March 17 (AP)—An attorney entered a plea of innocent Monday for Sonny Liston, former world heavyweight boxing champion, who did not appear in municipal court.

The fighter is charged with speeding, careless and reckless driving, having no driver's license and carrying a concealed weapon.

The attorney, Donald L. Lozow, said Liston wants a jury trial. Judge Dean Diamond set June 9 for the trial. Liston was freed on \$300 bond soon after his arrest last Tuesday night. Lozow told reporters that Liston may have been guilty of "some speeding, but he is innocent of all other charges. We have made arrangements to get a valid Colorado operator's license."

Course Bans Women Golfers

BROOKLINE, Mass., March 17 (AP)—Showing an enviable brand of courage, this town's department of recreation and parks has ruled women golfers off the municipal course on week-end and holiday mornings until summer.

As expected, an immediate collective howl went up from the women who play on Putterham golf course. "Discrimination," they said. "They have as much right to play on the course as any man, they claimed."

Parks superintendent Daniel Warren said he will make the women's dissatisfaction known, though he will not recommend any changes in the new regulations.

Idaho Coach Slates Two Area Meets

Idaho football coach Doc Andros and assistant Steve Musseau will make two appearances in the Twin Falls area this week. Andros will be the main speaker at the Kimberly high school awards banquet Thursday night. And both coaches will attend a special open-house for all alumni and friends of the university Wednesday evening at Blue Lakes Country club.

The no-host affair at the country club is open to the public. It will run from 6:30 p.m. through 9 p.m. in the room of the club house. No meal is planned. "The whole affair is just to allow Idaho fans in this area to meet coach Andros and coach Musseau," said J. D. McCollum Monday night. "We don't plan anything special. If they'd like to hear coach Andros talk I'm sure he will. If not, we'll keep it all very informal."

Thursday night banquet at Kimberly honors all those in the high school to have achieved special honors through academics as well as athletics.

Faversham Says No to Charity Bout

LOUISVILLE, March 17 (AP)—Cassius Clay, Bill Faversham, gave a flat "no" Monday to a proposed winner-take-all heavyweight fight for charity between the new heavyweight champion and Floyd Patterson.

"I'm not going to let him do any such thing," Faversham said after Clay had offered to fight the former champion with all proceeds going to their respective religions.

Clay is a Black Muslim, Patterson is a Roman Catholic. However, Tom Bolan of Championship Sports, a promotional group with offices in New York, was not so easily discouraged. "I think the fight can be made," Bolan said. "At least, Clay's latest offer is the most encouraging thing we've heard."

My offer of \$750,000 for a Clay-Patterson fight still stands. I have sent telegrams to the various principals, expect to have something concrete shortly.

"Of course, I am aware that Inter-Continental Promotions, Inc., has first call on Clay's services, but I think I can work out something agreeable both to them and to myself."

Wills Practices For First Time

VERO BEACH, Fla., March 17 (AP)—Shortstop Maury Wills practiced with the Los Angeles Dodgers Monday for the first time this season and said he thinks he has a chance of winning the National league batting championship.

"I've been a better hitter every season," said the 31-year-old base-stealing champion, "and I think I should win it around 300. One of these years I'm going to hit it big and average .325 or .330. This may be the year."

Wills said he is completely recovered from two injuries that slowed him last season. He had an ankle sprain that hampered his running and a left-shoulder injury that made it difficult for him to backhand the ball in the field. He batted .302 last season from a record-104 stolen bases in 1962 to 40 in 1963.

Idaho Coach Slates Two Area Meets

Idaho football coach Doc Andros and assistant Steve Musseau will make two appearances in the Twin Falls area this week. Andros will be the main speaker at the Kimberly high school awards banquet Thursday night. And both coaches will attend a special open-house for all alumni and friends of the university Wednesday evening at Blue Lakes Country club.

The no-host affair at the country club is open to the public. It will run from 6:30 p.m. through 9 p.m. in the room of the club house. No meal is planned. "The whole affair is just to allow Idaho fans in this area to meet coach Andros and coach Musseau," said J. D. McCollum Monday night. "We don't plan anything special. If they'd like to hear coach Andros talk I'm sure he will. If not, we'll keep it all very informal."

Thursday night banquet at Kimberly honors all those in the high school to have achieved special honors through academics as well as athletics.

Groat Probably Is Worst Spring Hitter

ST. PETERSBURG, Fla., March 17 (AP)—Dick Groat probably is the worst spring hitter in baseball. He admits it. If he doesn't get 10 base hits during the St. Louis Cardinals exhibition season he won't be worried. "I hit a ton in Florida in 1961 and had one of my worst years," the veteran shortstop said. "Last year I hit something like 230 down here. I finished with 319."

Fortunately, I got in the groove the day before the opener in a game at Atlanta. I try not to worry until the last week. As far as I am concerned spring training is a conditioning program."

When Groat topped from 325 in 1960 to 275 in 1961 critics blamed his slump—and Cardinals' mediocre on complacency. Groat has developed a deep aversion for the word.

"Nothing bugs ball players more than to read about complacency," Groat said. "A professional ball player always goes all out and does his best to win. I suppose if the Dodgers don't win this year you will read they were complacent. That has nothing to do with it."

"If we got smug and self-satisfied we would be stupid. Look, this is our bread and butter. When you are having a bad year you try harder than ever. In 1961 I look more batting practice than I ever took in my life. It was the same way with George Altman last year. He never took more batting practice but he had a bad year."

"If anybody can figure out the human element that makes the difference between a good and a bad year in a ball-player, he is a magician. Nothing makes me more angry than to hear Pittsburgh was complacent in 1961 or Cincinnati in 1962 or San Francisco last year. It's a lot of bunk."

"I tell everybody that 1963 is over. It was great while it lasted but it is all over now. You can't live on past laurels. If I hit 300 again, fine. If I hit 270 I'll know that I did the very best I could."

Groat probably is the best hit and run man in the majors, an expert at advancing a runner by hitting the ball to right field.

"It always has been a natural way for me to hit," Groat said. "The normal way for most people is to get the hands ahead of the ball. Not me. I've always hit this way and I suppose I always will. My job basically is to move the runner from first to third or to get him home."

"Maybe I hit and run too much. But if I just went up there swinging a bat, I'd hit in a lot of double-plays because I don't run too well."

Kelly Named Player of Week

SEATTLE, March 17 (AP)—Portland's rookie netminder, Dave Kelly, who scored three successive shutouts last week to break the league record, was named player of the week in the Western Hockey league this week.

Earlier in the day, Dave Johnson of Los Angeles took no place in regular all-events with 1,855.

He didn't seriously threaten Frank Williams of Gary, Ind., who has led the division since Wednesday with 1,945.

The Daily Investor

By WILLIAM A. DOYLE
Q. My wife and I like to think of ourselves as the "average American couple." But we must admit that in financial planning, we are way below average. We must get our mortgage payments, car payments, insurance premiums, and other obligations paid. But we always seem to spend what is left. We have no stocks, no bonds, and no savings account. We thought we could save our money, but we seem to spend that, too. Do you have any suggestions? Or are we a pair of financial dunces?

A. Come, now. Stop running yourself down. You're no different from most American families. The average couple does live from paycheck to paycheck. If you really want to have for the future, you'll have to force yourself to do it.

There are a number of ways you can do that. But I'll offer a suggestion—one that should suit you and many other people in similar financial situations. It's simple and financially painless. Join the payroll savings plan and buy U.S. savings bonds.

Go to the payroll department where you work and have some money deducted from your salary each payday to buy series E, U.S. savings bonds. I can think of no easier way to accomplish what you have in mind.

When the first SBICs were organized a few years ago, they attracted very popular with investors and speculators. That popularity (and demand for those stocks) sent their market prices way up.

The 1962 stock market decline sent the prices of those stocks way down. Then there were a number of scandals and near-scandals involving some SBICs. That put a chill on the appeal of SBIC stocks, even those of well-managed and pure companies.

Practically all SBIC stocks are now trading at prices well below their asset value per share (the actual value behind each share in investments, cash, etc.) as is the case with the SBIC stock you own.

If the company in which your own stock is doing as well as you indicate, you should have nothing to worry about. The market price of the stock should rise eventually, as investors come to recognize the true worth of the company.

(Mr. Doyle will answer only representative letters of general interest in this column. He cannot answer personal queries.)

2,000 Persons Attend LDS Stake Conference at Rupert

RUPERT, March 17 (UPI) — The Minidoka LDS stake quarterly conference held at the Rupert stakehouse over the week-end was Elder Thorpe B. Isaacson, a member of the council of the 12 apostles of the LDS church, Salt Lake City.

More than 2,000 persons attended the morning session of the conference Sunday and 1,400 the afternoon session.

Mrs. Darlene C. Dedekind, representing the church's Relief Society, spoke at the afternoon session. She said the Relief Society is a place where women can learn skills and help others.

A special leadership meeting was held Saturday evening with Elder Isaacson presiding. A film was shown in which the attendance of all women at the Relief Society was stressed.

Mrs. Van Dam urged the need for good teaching in the Primary organization, an auxiliary of the church.

Stake President Rodney Hansen conducted conference sessions on Sunday.

Special music for the Sunday morning session of the conference was furnished by the Lihona and Trailblazer boys and girls of the 12 wards in the stake Primary.

Over 400 children participated in singing three songs conducted by Mrs. Grace MacKay with Nina Hall as organist.

Music for the afternoon session was furnished by the Relief Society Singing Mothers of the stake with Mrs. Florence Badger directing the singing.

Mrs. D. L. Brown, stake organist, played the prelude and postlude music and accompanied congregational music with Keel Severe, stake music director conducting.

Reed Jensen was released as president of the Minidoka stake YMMIA. Also released were Lowell Maughan, Paul, first counselor, and Sherill Stallings, Aequa, second counselor.

YOUR BIRTHDAY and HOROSCOPE

TUESDAY, March 17 — Born today, you have a positive nature, albeit a rather retiring one. To those who know you only casually, your reserve may seem to border on aloofness. Once you accept another into your limited circle of friends, however, your loyalty, devotion and outspoken affection soon puts him in contact with the "real you."

Wednesday, March 18 — Pisces (Feb. 20-March 20) — If you're thinking of changing your present plans, think again! This may not be the day to successfully effect a change.

Thursday, March 19 — A good day for the fostering of new inventions. Let friends be helpful. They can aid you to make additional profits.

Friday, March 20 — Taurus (April 21-May 21) — A journey to see friends might prove more profitable than you think. But make it prove pleasurable, too!

Saturday, March 21 — Gemini (May 22-June 21) — Good will and the company of those who bring joy and happiness to you are essential for success. Cultivate both.

Sunday, March 22 — Cancer (June 22-July 23) — New ideas and progressive actions can bring success to Cancer at this time. Advance toward your goal!

Monday, March 23 — Leo (July 24-Aug. 23) — If beginning a new job or a new phase of an old one—all should go as you wish today. Otherwise, it's a routine day.

Tuesday, March 24 — Virgo (Aug. 24-Sept. 23) — The Virgo who manages to bring new methods to bear on current projects may well be in for a most happy and gainful surprise.

Wednesday, March 25 — Libra (Sept. 24-Oct. 23) — Another good day for Libra's efforts. Be progressive and you should reach at least one objective today.

Thursday, March 26 — Scorpio (Oct. 24-Nov. 23) — New ideas both at home in your social planning and at the office in business, are best divulged only to friends today.

Friday, March 27 — Sagittarius (Nov. 23-Dec. 22) — Reap the reward of mutual cooperation! Make every effort to get along with co-workers. Compromise if necessary.

Saturday, March 28 — Capricorn (Dec. 23-Jan. 20) — Be willing to listen to an original suggestion from one you may be in the habit of avoiding. Acquaintance (Jan. 21-Feb. 19) — Working hours are especially favorable today. Make a decision early. Stick to it and act on it for results by evening.

Sunday, March 29 — Aquarius (Jan. 20-Feb. 18) — Each person should be accompanied by a representative of the Relief Society in the stake.

Monday, March 30 — Pisces (Feb. 19-March 20) — Each person should be accompanied by a representative of the Relief Society in the stake.

Tuesday, March 31 — Aries (March 21-April 20) — Each person should be accompanied by a representative of the Relief Society in the stake.

Wednesday, April 1 — Taurus (April 21-May 21) — Each person should be accompanied by a representative of the Relief Society in the stake.

Thursday, April 2 — Gemini (May 22-June 21) — Each person should be accompanied by a representative of the Relief Society in the stake.

Friday, April 3 — Cancer (June 22-July 23) — Each person should be accompanied by a representative of the Relief Society in the stake.

Saturday, April 4 — Leo (July 24-Aug. 23) — Each person should be accompanied by a representative of the Relief Society in the stake.

Sunday, April 5 — Virgo (Aug. 24-Sept. 23) — Each person should be accompanied by a representative of the Relief Society in the stake.

Monday, April 6 — Libra (Sept. 24-Oct. 23) — Each person should be accompanied by a representative of the Relief Society in the stake.

Blue Angel Team Member Is Killed

APALACHICOLA, Fla., March 17 (AP)—Lieut. George N. Neale, 29, one of the navy's Blue Angel precision pilots, plunged to his death Sunday when his parachute failed to open fully after he ejected from his crippled jet.

A navy spokesman said the flight demonstration team was returning to its base at Pensacola, Fla., from an air show at West Palm Beach when Neale's plane "experienced some sort of mechanical failure" west of Apalachicola, 167 miles east of Pensacola.

Masked Men Rob Ogden Elks Lodge

OGDEN, March 17 (AP)—A pair of armed robbers took an estimated \$5,000 from the Ogden Elks club early Monday after tying up two employees.

Two men suddenly appeared inside the building about 1:30 a. m. and confronted Eldon Kidd and Doyle Sexton, who were closing up the front office.

One of the robbers was armed. The victims were forced to lie on the floor and their hands were tied behind them with tape. Tape was then placed over their eyes and mouths.

The two robbers then entered the club manager's office and broke open a small safe.

The robbers wore masks across the lower portion of the faces—one using a white handkerchief and the other a white sweater. Police found the sweater, a crow bar and sledge hammer near the club.

The two cleaning men notified police about 40 minutes after the holdup after they broke out of their bonds.

Police said they had a couple of good leads.

Honor Pupils Are Reported For Gooding

GOODING, March 17 — Lester Diehl, high school principal, has released the six-week honor roll. Students receiving all A's are Lois Grive, Diana Rogers, Ann Westendorf and Charles Edinborough, seniors; Janet Severance, Mitanny Mitchell, Sharon Bean and Sally Harris, juniors; Marjorie Reay, Richard Bami and Vicki Shaw, sophomores, and Judy Robertson, Ann Daniels and Linda Gayle Miller, freshmen.

Others were Janice Albertson, Vaunda Barrus, Karen Fleischman, Carol Krahn, Linda Silva, Josephine Velasquez, Rosemary Westendorf, Robert Hall, Scott Hobday, Steven Gerard, John Grive, Don James, Robert Locke, Glen Nielson, Mike Smith and Gary Montierth, freshmen; Jackie Bodenhofer, Kristi Greenwalt, Susan Hale, Valerie Roester, Patti Larsen, Janet Lawrence, Carole Ann Moline, Lucy Perrine, Kathleen Schutte, Vesta Taylor, Larae Wildman, Paul Anderson, Michael Arkoosh, John Heltia, Russell Burkhardt, Jerry Gibbons, Daniel Harbaugh, Donald Robertson, Don Stevens and Mike Thompson, sophomores.

Linda Flippin, Nancy Holloway, Marsha Kennedy, Alice Lowman, Pat Lundy, Rosanne Miller, Linda Rickey, Carol Robertson, Claire Watson, Gayle Anderson, Gene Gerard, Mike Hall, David Hocklander, Dennis Moyer, James Silva, Ron Silva, George Urtola and James Williams, juniors.

Gayanne Cheney, Mary Daniels, Lana Larsen, Dora Lee, Carolyn Loucks, Barbara Miller, Sally Perrine, Cheryl Quesnell, Susan Rice, Sandi Sagers, Rosie Silman, Linda Suesz, Karen Velasquez, Rose Zubizarreta, Ruth Zubizarreta, James Anderson, John Bilboa, Lerry Gee, Jack Varin, David Waitnall and Dennis Wright, seniors.

Nixon Says GOP Has Chance To Carry South

MIAMI, Fla., March 17 (AP)—Former Vice President Richard M. Nixon is in Florida for a week's vacation with his family.

Nixon, who carried Florida in his unsuccessful race for president four years ago, told newsmen in Miami the Republican party shouldn't write off the South this year.

"The polls indicate that the Republican party could carry no Southern state against President Johnson now," said Nixon. "But a lot of things can happen in six months, and I feel that Florida and no Southern state should be written off."

Film on Dropouts Shown for PTA

SPRINGDALE, March 17 — A film on school dropouts was featured Friday evening at the PTA meeting.

David Lewis, Burley employment security office, showed the film and spoke on the subject. Group discussion followed.

Mrs. Jack Jordan conducted the meeting and Noel Bowcutt gave the prayer. Named to the nominating committee were Lyn Page, Gerald Anderson, Burke Scholer and Dean Manning.

The room count was won by the second grade which also gave the program under direction of the teacher, Mrs. Eheron Price. Mrs. Charles Gould and Mrs. Richard Kerbs served refreshments.

Some Believe de Gaulle Won't Make Serious Trouble

By JOHN M. HIGHTOWER
WASHINGTON, March 17 (AP)—U. S. officials so far discount the possibility that President Charles de Gaulle's visit to Mexico will make serious trouble for the United States in Latin America.

But under the official surface calm there is some apprehension that de Gaulle may get caught up in or perhaps inadvertently stimulate new waves of anti-Americanism.

The French leaders and President Johnson are, in a sense, now embarked on rival campaigns for prestige and effective influence in South American affairs.

In a speech Monday to the

Organization of American States Johnson presented his ideas for putting new life into the multi-billion-dollar alliance for progress.

At the same time the President acted to strengthen the authority of his hand-picked director of all U. S.-Latin American activities, Assistant Secretary of State Thomas Mann. And an extraordinary conference was opened between top Washington officials, including the President, and U. S. ambassadors and aid directors in Latin American countries.

Coincident with these moves by Johnson, de Gaulle arrived in Mexico City to be greeted by

an enthusiastic crowd of 300,000. The French leader joined with President Adolfo Lopez Mateos in projecting a new alliance between Mexico and France—an alliance which they agreed is not meant to harm anyone.

The contrast between the problems with which Johnson and de Gaulle were dealing in their almost simultaneous speeches was sharp and dramatic.

The alliance for progress, which is the heart of U. S. relations and hopes for the future in Latin America, has now been running for more than two years. It has cost the United States about a billion dollars a year. Along the

way it has become loaded with problems and criticisms, some errors and failures.

In the background of Johnson's speech also stood a history of disputes and difficulties as well as profitable trade and long periods of friendly relationships with many Latin American countries.

There are current disagreements over Cuba and deep concern over the U. S.-Panamanian quarrel centering around the Panama canal. There are tensions in U. S. relations with Brazil and arguments with countries like Argentina and Peru over issues of nationalization involv-

ing American oil contracts.

De Gaulle's dramatic entry on the Latin American scene gains strength from the fact that it is free of such handicaps.

As between the two great nuclear powers, the United States and the Soviet Union, he seems to be intent on offering as many other nations as possible the prospect of a "third world" brought into being by French leadership, marked by increasing trade ties with France and responsive to the dissatisfactions of people who do not like either the Soviet or the American way.

Washington authorities are sensitively alert to widespread

anti-U. S. sentiments in Latin American countries which in their view create an opening for de Gaulle's personal diplomacy and his vision of the French offer of a third way of international life.

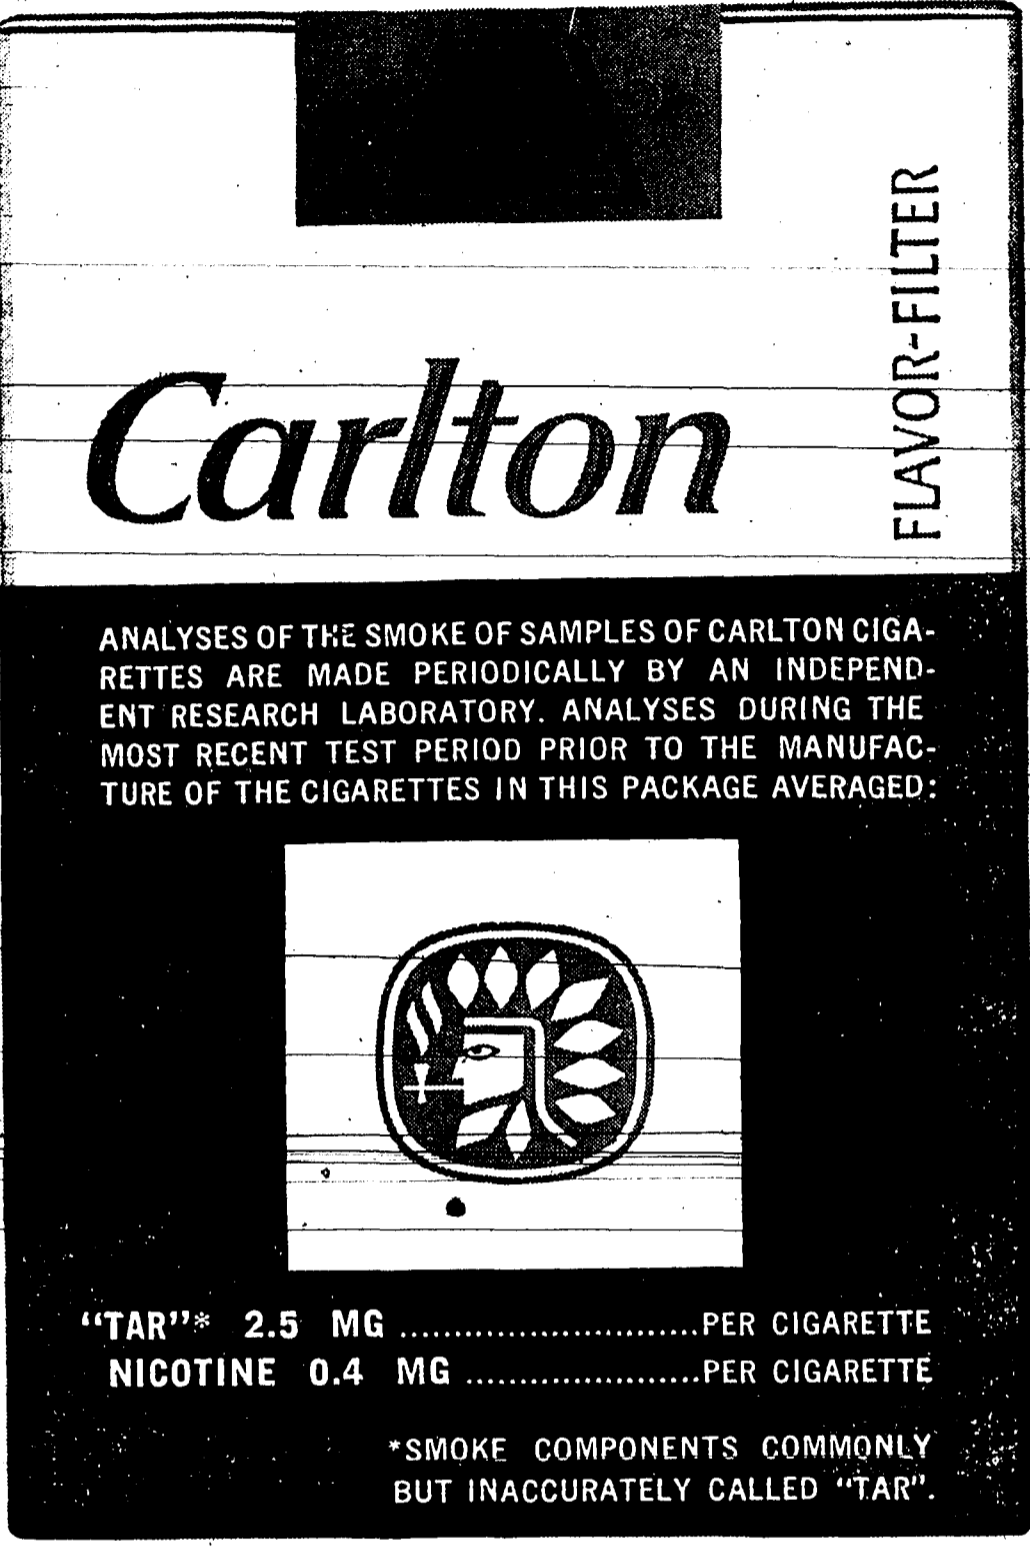

Officially the U. S. government's position is that de Gaulle's visit to Mexico and later trips which he plans to other American countries hold a welcome hope of increasing ties between Latin America and U. S. allies in Europe. The United States for several years has been urging France, West Germany, Britain and Italy to expand their roles—economic, political and cultural—

in Central and South America and the Caribbean.

Privately officials admit that the special circumstances in which de Gaulle is making his first trip to Mexico were foreseen in the original development of this U. S. policy.

In recent years the French leader has crossed U. S. policy aims at so many points that constant uneasiness about what he will do next has become more or less permanent in Washington.

His recognition of communist China in January is but the latest of a series of incidents going back to his determination to give France an independent role in clear force and various demands of cooperation with the United States and other allied countries in the North Atlantic Treaty organization and to the U.N.

Carlton

FLAVOR-FILTER

ANALYSES OF THE SMOKE OF SAMPLES OF CARLTON CIGARETTES ARE MADE PERIODICALLY BY AN INDEPENDENT RESEARCH LABORATORY. ANALYSES DURING THE MOST RECENT TEST PERIOD PRIOR TO THE MANUFACTURE OF THE CIGARETTES IN THIS PACKAGE AVERAGED:

"TAR"* 2.5 MGPER CIGARETTE
NICOTINE 0.4 MGPER CIGARETTE

*SMOKE COMPONENTS COMMONLY BUT INACCURATELY CALLED "TAR".

Look again.

This is Carlton, the unusual new cigarette from The American Tobacco Company. Everything about Carlton is selected and crafted to produce this one result: [Low "tar" and nicotine, with real smoking pleasure.] It is so low in "tar" and nicotine we print test results on all packs and cartons. ■ Carlton has a distinctive blend, high porosity paper, special air vents, and a new "flavor filter" with activated charcoal which actually enriches the taste. ■ We believe you'll want to try Carlton. We also believe you will find it a new and pleasurable smoking experience. Give Carlton the time it takes you to smoke a carton.

See for yourself.
